Flex Hub

4-port USB hub swivels out of the way

Part # F5U415uk

UPC: 722868642719

The Flex Hub adds four USB ports to your computer and stays out of the way of neighboring connections. You can maintain access to existing ports on your computer by rotating the Hub left, right, up, and down—whichever position works best for you.

Features

- Adds four Hi-Speed USB 2.0 ports with transfer speeds of up to 480Mbps
- Features 2-way swivel connector; rotates 180 degrees, out of the way of adjacent ports
- Allows angle-up positioning for easy access, top-loading
- Includes power port (power supply included)
